Forecast For Yorkshire & the Humber
Issued by Met Office Exeter
at 1600 on Saturday 20 Feb 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Windy with rain clearing to leave drier, cooler conditions overnight.

This Evening and Tonight:
It will stay rather cloudy and windy with further outbreaks of rain this evening. However, the rain will become light and patchy, gradually clearing southeast to leave drier and cooler conditions, with occasional clear spells overnight. Minimum temperature 6 deg C (43 deg F).

Sunday:
Rather cloudy in the south, with patchy rain at times. Meanwhile, staying largely dry with some brighter spells in the north. Lighter winds compared to Saturday, and generally very mild. Maximum temperature 12 deg C (54 deg F).

Outlook for Monday to Wednesday:
Monday should see similar conditions to Sunday, ahead of windier and perhaps occasionally wetter weather spreading in towards midweek. Staying on the mild side.
